Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Your committee has requested that the Commission permit your committee to terminate pursuant to 2 U.S.C. §433(d) and 11 CFR §102.3. In order to terminate your committee, you must file amendments to correct any problems on your Amended 12-Day Pre-Primary Report, received 6/17/10 and Amended July Quarterly Report, received 7/28/10 and/or on any previous reports that still contain uncorrected errors or omissions. If you are not certain about what corrections need to be made, please contact the undersigned analyst. Once the FEC receives and approves the corrections to your report(s), it will notify you. Until that time, you must continue to file all required reports.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
